Note: Please follow social distancing guidelines when attending the clinic (e.g., stand six feet apart, wear a mask, and stay home if feeling ill).

If you are planning on receiving the COVID-19 vaccination around the same time as the Hepatitis B vaccination, it is recommended per the Centers for Disease Control and Prevention (CDC) guidelines to wait a minimum of fourteen days before or after administration with any other vaccine. The CDC guideline for co-administration with other vaccines can be found on their website at
