

### Aupuni Palapala Fellowship

We are also pleased to announce an Aupuni Palapala Fellowship for SY 2020-2021. A finite amount of funding is available to support conference attendance and/or credit courses. We also recognized that shift to online instruction has also presented some unprecedented opportunities for teachers to attend local, national, and international conferences online. This fellowship opportunity allows kumu access to professional conferences that increase your ability to include Hawaiian language, culture, and history competencies and/or allow you to present your own classroom practice relative to Hawaiian education (maximum award annually \$500). We are also pleased to offer kumu support in taking credit courses related to Hawaiian education (not already covered by other funding sources, maximum award \$1,000). Applications will be accepted on a rolling basis and reviewed on the following dates.

- **Fall 2020** - November 23, 2020;
- **Spring 2021** - January 4, 2021, February 8, 2021, and March 15, 2021; and
- **Summer 2021** - April 12, 2021, and June 7, 2021.
