TO: Deputy Superintendent
Complex Area Superintendents
Principals (All)

FROM: Randall M. Tanaka 
Assistant Superintendent

SUBJECT: **Disposable Mask Order for Schools**

A large order for nearly 2.7 million disposable masks was placed by the Office of Facilities Operations with the Hawaii Emergency Management Agency (HI-EMA) on August 5, 2020. HI-EMA will be shipping one-third (about 900,000) of these masks immediately. Schools should receive delivery by August 14, 2020. The remaining two-thirds (about 1,800,000) disposable masks will be sent once HI-EMA receives resupply from vendors. These masks are intended to provide each school with a supply of disposable masks for students who forget, lose, damage or otherwise need a mask at school. While students are expected to provide their own masks from home, we realize this won't happen in some cases.

The accompanying spreadsheet indicates the number of masks (representing 15 masks per student based on your school's enrollment) that were ordered for each school, including public charter schools. Please be prepared to receive and securely store these masks and to distribute them to your teaching staff for students as needed.

If you have any questions, please contact Maynard "Max" Mendoza, Director or Paul Graham, Safety & Security Specialist of the Safety, Security, and Emergency Preparedness Branch, at (808) 784-5170 or via email.
