SUBJECT: **Renzulli Learning Online Platform**

The Office of Curriculum and Instructional Design (OCID) has obtained a Data Sharing Agreement for all Hawaii Department of Education elementary schools to use the Renzulli Learning online platform free of charge for 90 days.

As elementary schools search for online resources to use during this first semester, teachers and students can access the lessons provided through the Renzulli Learning online platform. Renzulli Learning provides differentiated lessons for all learners while also accommodating those needing a slower pace. Each lesson is differentiated so that students can all learn together at their individual level of readiness.

In order for schools to participate in the Renzulli Learning platform, complete and submit a list of teachers and students who will participate in the program using the attached forms. Please send the completed forms to Dr. Anna Viggiano via email at anna.viggiano@k12.hi.us by Friday, September 25, 2020.

Additional information about Renzulli Learning can be found using this link: renzullilearning.com.

For questions please contact Dr. Anna Viggiano, Educational Specialist for the Gifted and Talented Program, at 305-9771 or via email at anna.viggiano@k12.hi.us.
