FROM: Rodney Luke 
Assistant Superintendent

SUBJECT: **School Status and Improvement Report for School Year 2019-20**

The 2019-20 *School Status and Improvement Report* (SSIR) for all Department schools and participating charter schools is now available on the *Accountability Resource Center Hawaii* (ARCH) website: <http://arch.k12.hi.us>.

The SSIR design is to meet the school accountability requirements of section 302A-1004, *Hawaii Revised Statutes*, which requires reporting of results of school-by-school assessments of educational outcomes, summaries of school improvement progress, and descriptions of the demographic makeup of the schools.

The information in the SSIR can be used for school financial and academic planning as well as for accreditation. The ARCH website, where the SSIR is located, contains other documents that may also be useful for school planning, such as the Trend Report: Educational & Fiscal Accountability, School Quality Survey (SQS), and U.S. Department of Education Elementary and Secondary Education Act (ESEA) reports.

The SSIR is in a Portable Document Format. To view and print them, install Adobe Acrobat Reader on your computer. This software is available for downloading from the ARCH website.

Should you have any questions, please contact John Dickinson, Institutional Analyst, Accountability Section, via Gmail or at (808) 733-4008.
