COVID-19 Test Results Reporting Process

In order to comply with the August 5, 2021, Governor's Emergency Proclamation, employees must submit proof of full COVID vaccination or weekly test results.

For this process, please have a copy of your COVID vaccination card/record or test result available before starting.

3. Fill in all required fields.
4. Upload a copy of your vaccination card/record or test result. Skip this step if you do not have a digital copy and bring the document to your worksite office for verification.
5. Carefully read the attestation statement. Click on the check box to indicate you have read and understand the statement before submitting your status.
