Make and carry out a plan for your work.

Steps

1. Review the choices of learning opportunities for each content area. Your teacher may provide further guidance.
2. Create a SMART Goal in a table like the one below to make a plan for your work.
3. Complete your plan. As you work, share and discuss with a friend, family member, or teacher.

Specific	<ul style="list-style-type: none"> • What options will I choose? • How will I organize my work? 	
Measurable	<ul style="list-style-type: none"> • How will I know that I have accomplished my goal? 	
Achievable	<ul style="list-style-type: none"> • How can I accomplish my goals for the day (or days)? • Where is the best place for me to do my work? 	
Relevant	<ul style="list-style-type: none"> • How does this work fit with my life at home? • How does this work align with my classes at school? 	
Time-bound	<ul style="list-style-type: none"> • When will I work? • How much time will I dedicate to working each day? • How will I pace myself?
