Subject: Create an account on HSTA.org

Registration is required to access member-exclusive areas of HSTA's website, including information on special discounts, professional development, employee rights and support resources. Submit a registration request and once your membership has been verified, you will receive a confirmation email.

Subject: Subscribe to Member Matters

Member Matters is a weekly email newsletter sent every Friday during the school year (with the exception of fall, winter and spring breaks), and every other Friday over the summer. Our emails aim to ensure you receive accurate information as quickly as possible. Topics include:

- Information on wages and benefits,
- Professional resources and growth opportunities,
- Upcoming events and deadlines, and
- Stories about fellow members.

Once you're logged in with your registered account, click on the News tab and select Sign Up for E-Newsletter.
