I want to become a member of the Hawaii State Teachers Association (HSTA), I understand that by voluntarily becoming a member of HSTA I will automatically become a member of the National Education Association and I further agree to abide by the rules that govern both associations. I understand that a portion of my dues will be used for political and ideological activities of the Association. Furthermore, I authorize my employer to deduct from my pay in each pay period a pro rata portion of the annual dues, fees, and assessments required for membership in the Hawaii State Teachers Association. I fully understand that the annual dues, fees, and assessments required for membership in the association is subject to periodic change by the governing body of the association and authorize my employer to deduct any modified monthly dues, fees, and assessments established by the association unless my obligation to do so ends under one of the circumstances set forth below. This authorization continues from year to year, regardless of my membership status, unless (a) I revoke this authorization in a signed writing sent to the address below via U.S. Mail, between August 1 and August 31 of the membership year immediately preceding the membership year in which the membership is to be cancelled; or (b) my employment as a bargaining unit-05 member ends. Dues payments are not tax deductible as charitable contributions for federal income tax purposes. Dues payments (or a portion) may be deductible as a miscellaneous itemized deduction.
